I N T E R N A T I O N A L

Thank you for your interest in Muscle Foods INTL, a division of EURPAC.

I have attached our international catalog for your perusal. Please let me know which lines you are interested in and we can discuss pricing. Please send me your complete business information including the business name, billing address, shipping address, phone number, fax number and any other contact information.

**International orders are only shipped on a prepaid basis by wire transfer.** Credit cards are **not** a valid form of payment. There is a minimum of \$2,500 USD and all items must be ordered in case quantity. Muscle Foods INTL does not ship outside of the United States. **It is your responsibility to find a freight forwarder** who can transport your orders from the United States to your final country of destination. It is the responsibility of the importer to be sure all items are allowed through customs as we cannot reimburse you for any refused or confiscated products nor any charges incurred as a result of refusal.

Muscle Foods INTL does not provide any documentation services. Please inform us ahead of time of exactly which regulatory documents your country's government will require to clear Customs so that we can build the costs of procuring these documents for you into your pricing if necessary.

I am looking forward to working with you!

Sincerely,

*Maureen Mullen*
